

## Testimonials

### Quotes from students:

Description of the student	The quotes
A veteran teacher(male) from "ACHVAT HCHIM" high school (Kiryat Malachi)	The workshop provides appropriate responses to professional issues, educators should experience simulation workshops
Female a veteran teacher from ACHVAT HCHIM	The workshop provides responses for the needs of various participants, and during it I acquired practical tools for my work.  I would like to take part in another simulation workshop like this one
A new teacher ACHVAT HCHIM 6.3.2018	I think the workshop contributed to my professional development. During the workshop reality in the professional field is discussed
A veteran teacher	The feedback from the actor as well as the video and the manner in which the research is conducted contribute greatly to my professional development
A new teacher (6.3.18)	It would be great not to have the workshop at the end of a working day
A student who is Specializes in teaching	Accurate imaging of the reality, we discussed real cases that close to our hearts.  I think it would be greater if we can choose the cases by our self

A veteran teacher in a management position	The workshop allows us a side view on events and analyse them in order to improve listening and communication skills
A veteran teacher in a management position	I enjoyed very much I think the workshop is very professional
A veteran teacher	It was amazing to observe myself from the side and to learn
B.Ed. student 17.4.2018	The Training in the workshop was relevant to the field, I got a lot of tools to deal with cases and factors in the kindergarten
B.Ed. Student	THE ATMOSPHERE IS CALM
B.Ed. Student in Early Childhood Education Third Year.	THE workshop discussed daily situations from the kindergarten Which allows us to learn in a practical way
B.Ed. Student in Early Childhood Education in Regular Education Third Year.	The workshop expose me to a verity of situations and contribute tools to deal with
Second year B.Ed. Student Special education	the workshop allows meaningful Learning which is important to improve the conduct ...for a common goal
B.Ed. Student Childhood Education reality	An external player created the closest feeling to reality
B.Ed. Student Pedagogy course First Year	An experience that later on leads to professionalism
B.Ed. Student Pedagogy First Year	Deep learning
